

HENRY

A bright yellow beam of light originates from the left edge of the frame and points towards the letter 'R' in the word 'HENRY'. The beam is wider on the left and tapers as it moves to the right. The word 'HENRY' is written in a bold, black, sans-serif font. The beam appears to be shining on the 'R', which has a small white highlight on its upper curve.

Formularios

Formularios

Controlled (Controlados)

Los valores de los inputs están *bindeados* al estado del Componente.

- Esta es la forma recomendada por el equipo de React.
- Sigue los patrones de React.
- Es más predecible.

Uncontrolled (No Controlado)

Sacas el valor del DOM.

- Fácil de hacer, no hay que aprender nada nuevo.
- Lo que se muestra en el input no lo podemos controlar.
- Es menos predecible.

Formularios

feature	controlled	uncontrolled
one-time value retrieval (e.g. on submit)	✓	✓
validating on submit	✓	✓
instant field validation	✓	✗
conditionally disabling submit button	✓	✗
enforcing input format	✓	✗
several inputs for one piece of data	✓	✗
dynamic inputs	✓	✗

Formularios - Importancia de Key

```
1 function Ejemplo({lang}) {
2   if (lang === 'hun') {
3     return (
4       <form>
5         <input key="lastName" type="text" placeholder="Vezetéknév" name="lastName"/>
6         <input key="firstName" type="text" placeholder="Keresztnév" name="firstName"/>
7         <input key="middleInitial" type="text" placeholder="KB" style={{width: 30}} name="middleInitial"/>
8       </form>
9     )
10  }
11  return (
12    <form>
13      <input key="firstName" type="text" placeholder="First Name" name="firstName"/>
14      <input key="middleInitial" type="text" placeholder="MI" style={{width: 30}} name="middleInitial"/>
15      <input key="lastName" type="text" placeholder="Last Name" name="lastName"/>
16    </form>
17  );
18 }
```
